

GREEN HILL LAKE CAMP – WHERE CHRIST IS MADE KNOWN
CAMPER SCHOLARSHIP APPLICATION FORM

DON'T LET FINANCES KEEP YOU AWAY!

The Green Hill Lake Camp Inc. board and staff desire to “... run a high quality Christian camping experience.” At the Lake, we do our best to price our camps well below the actual cost, with the difference coming from many individual supporters and the Baptist churches of York, Queens, Sunbury, and Charlotte counties. It has always been our policy to keep prices as affordable as possible. Nevertheless, for some those fees sometimes are out of reach. For that reason, caring men and women contribute to a special scholarship fund. Green Hill Lake Camp is happy to authorize a scholarship up to 50% because of either spiritual or financial need. If you desire to experience God at the Lake, but you do not have the means, please consider our Camper Scholarship program.

WHO IS ELIGIBLE?

Most likely: *You*. Everyone who feels that the cost of camp would keep them from sending their child to a camp experience is open to apply. The scholarship can waive as much as you need to make it affordable, up to half the cost of the camp. (See “*The Fine Print*”)

HOW TO APPLY?

The process is straightforward:

1. Fill out the Application Form
2. Attach completed form to a camp registration (Please note, neither application will be processed until both are received).
3. Send the completed application package into the GHLC office (Mail or Fax).

THEN WHAT?

After we receive the application, the scholarship application will be processed with the registration. Applicants will be notified by the camp office upon the approval for their application. Confidentiality is ensured.

THE FINE PRINT: Green Hill Lake Camp reserves the right to approve or deny scholarship requests at their discretion. Scholarships awarded will go against the cost of the camp, before HST. All applications must accompany a registration form; Scholarship Applications alone will not reserve a spot in any program. GHLC reserves the right to attach conditions to, modify or discontinue this program as necessary. Scholarships cover half the cost of the registration fee – extra program options (e.g. Colossal Challenge, snorkeling, etc) or purchases (Tuck money, photos, T-shirts) are NOT included. No other discounts (e.g. sibling, multi-week) can be combined with a scholarship.
